

## RX - GRIP KITS

### **RX Grip Kits - the perfect slip-prevention solution**

RX Grip Kits have prevented accidents on slippery surfaces around the world for over 20 years. It is widely used, not only for pedestrian traffic but also for vehicles, forklift trucks and automated handling systems. It can be used on steps, ramps, walkways, fire escapes, upper surfaces of pipes and tanks, pool edges, cab steps, platform edges, level crossings and gantries.

RX Grip Kits uses specially graded calcined bauxite which does not wear smoothly and retains its grip properties for years.
